INTRODUCTION

This bibliography lists material on the issue of pay equity as it pertains to nurses in Canada, the United States and Great Britain. It updates and replaces an earlier version dated April 1991. Selections are limited to items held by the Pay Equity Commission Library and published within the past ten years. The bibliography is divided into two parts - **Part A: General Background**, listing books and articles concerned with the working situation of nurses in general, including the nursing shortage, and **Part B: Pay Equity**, listing books and articles specifically concerned with nurses and pay equity.

Members of the public are welcome to consult these materials in the Commission's library. The library is open weekdays from 8:30 a.m. to 4:30 p.m. It is recommended that those wishing to use the library call ahead for an appointment at (416) 481-4464 ext. 263.
